T. B. and Musafirkhana in New Yedatore Town.

Sir,

I have the honour to state that in connection with the formation of New Yedatore Town, it is proposed to construct a new 3rd Class Travellers Bungalow and a second class musafir-khana. The existing 3rd Class T.B. in the old Yedatore town is of old pattern and found not quite suitable. It is therefore proposed to construct the 3rd class T.B. in the New Town with necessary improvements adopting the pattern of the T.B. at Chunchinakatte. The cost of constructing a T.B. in the New Town according to the old pattern at Yedatore and the cost of constructing the same adopting the pattern of the T.B. at Chunchinkatte is estimated respectively at Rs. 3588/- and Rs. 5582/- using in both the cases the old materials of the existing bungalow in the old Yedatore Town. The Town Formation Committee resolved that the new T.B. in the New Yedatore Town should be of the pattern of the T.B. at Chunchinkatte and the estimate for Rs. 5582/- might be adopted, the difference of the cost viz., Rs. 1994/- between the above 2 estimates being met from the District Fund. The matter was placed before the District Board at their meeting held on 3-10-1926 when the Board approved of the estimate for Rs. 5582/- and the payment of the difference of Rs. 1994/-.

As regards the construction of a Second Class Musafirkhana in the New Yedatore Town, the cost of the building is estimated at Rs. 4700. The Executive Engineer, Upper Channels Division intimated in his letter No. 653 dated 1-10-1926 that the District Board need not pay anything towards the cost of the building. He stated further that if any change in design is made by the Special Architect, an additional sum of Rs. 500/- might be required and enquired whether the District Board were willing to bear this extra cost of Rs. 500/-. The District Board at their meeting held on 5-10-26 resolved that the extra cost of Rs. 500/- might be incurred if there should be improvement in design and approved of the proposal to bear Rs. 500/- from their fund.

In submitting herewith an extract from the proceedings of the District Board, I request that early sanction of the Government might be kindly obtained to the resolution of the Board to meet from their fund a total outlay of Rs. 2494/- as detailed below:-

(i) Rs. 1994/- towards the cost of building a new 3rd Class T.B. according to the pattern of the T.B. at Chunchinakatte utilising the old materials of the existing T.B. in the old Yedatore Town.

(ii) Rs. 500/- towards the cost of constructing a second class musafirkhana in the New Yedatore Town if any improvement in design is made by the Special Architect thereby necessitating an additional outlay of Rs. 500/- in excess of the estimated cost of Rs. 4700/-.

The above total cost will be met from the total provision of Rs. 20,000/- made on account of "B. Public Works" in the current year's budget of the District Board of Mysore. The estimates and plans were all returned to the Executive Engineer, Upper Channels Division for obtaining sanction to them and they have been sanctioned in Government Order No. 290-503 L&S 1569-84 dated 22nd Dec 1926 subject to sanction being obtained in the

in the Local and Legislative Departments ~~and~~ as regards the extra cost.

I have the honour to be,

Sir,

Your most obedient servant,

President, District Board
Mysore District.

Sir,

Subject:-Soliciting sanction to the modified plan and estimate for constructing a Musafirkhana in the new Yedatore Town.

In inviting your kind reference to this office letter No. C 1630 LB/26-27 dated 21-1-1927 to the Secretary to Government, Local and Legislative Departments requesting sanction of the Government to the resolution of the District Board in the matter of contributing from its fund a sum of Rs 500/- towards the cost of constructing a musafirkhana in the new Yedatore Town, I have the honour to submit herewith a modified estimate for a total sum of Rs 5,200/- received from the Executive Engineer of the Upper Channels Division, Yedatore. As stated in the above letter, the design has been approved by the Special Architect and the total cost of the building therefore exceeds the amount sanctioned for the purpose viz., Rs 4,700/- by Rs 500/- and this excess amount has been agreed to by the District Board for being paid from their fund. I request therefore that very early sanction of the Government may be kindly obtained to the modified estimate and plan. In view of the urgency of the work, I have requested the Executive Engineer, Upper Channels Division to put the work on hand in anticipation of the sanction of the Government.

A copy of the Board's resolution has already been submitted to Government with this officer letter quoted above.

I have the honour to be
